We are a Complete Marketing Consultancy Firm

Unlike most other marketing companies, we understand that today, a business must utilize a variety of marketing mediums in order to be successful. And time has taught us that in our world, nothing is constant except change. So, in the true spirit of the digital age, we have evolved our brand and our core positioning creating new powerful and one of a kind marketing channels to meet client's expectations. Even the largest companies must reach beyond the traditional mediums, like television, newspaper or radio, and implement some of the newer mediums, like Internet Marketing. Likewise, we know that even the smallest company must implement some of the more traditional mediums, like direct mail and face to face field marketing alongside other mediums.

Frequently Asked Questions

? What is Email Marketing?

- ✓ **Email Marketing** is the process of sending emails to several recipients for marketing purposes such as promotions, invitations, or other important updates. It is the most efficient way of communication between a company and a customer. Just look at your email inbox... Chances are, you already received an email similar to that purpose.

? What is Business Email Marketing?

- ✓ **Malixi Marketing** created a way to make things easier and more affordable for you. **Business Email Marketing**, one of **Malixi Marketing Services**, that is aimed towards total convenience without ever endangering your budget. Thus, reaping the rewards of a successful Email Marketing Strategy is at your fingertips.

? How Convenient is Business Email Marketing?

- ✓ It is so convenient, that you don't have to worry a thing! Just fill-up the form located at the Business Email Marketing Registration Form and we will do the rest.

? Does Business Email Marketing Have a Variety of Plans for Me to Choose?

- ✓ Yes it is! **Business Email Marketing** has 3 packages under its sleeve. The Economy Plan, The Deluxe Plan and The Premium Plan.

? How will I Choose Which Plan is Right for Me?

- ✓ The plan you choose will largely depend on your business needs and your budget. The plans are designed in such a way that you get the most of out your budget. **It is that easy!**

? What is the Difference Between Business Email Marketing and Other Email Marketing Solutions out there?

- ✓ Most Email Marketing Solutions available on the Internet requires the subscriber to create their own Email Templates. An adventurous business person will love this at first. But, let's face it! No busy, serious minded professional will even have the time to choose the right font style suitable for his/her own template. Malixi Marketing says "No More!" to wasting up your time studying, clicking and trying to figure out the design for your email template. Leave the "designing part" to us, then we will show it to you for approval and We Can Start the Ball Rolling!

? What do I Get as a Business Email Marketing Client?

- ✓ **Here is a list of some of the benefits that you will get using Our Service:**

1. Campaign Previews for Approval

After receiving your content and choosing your template category, we will be sending your email template preview through your email address for your approval. After approving the design, then that is the only time that we will be scheduling the sending of your email template to the designated recipient of your chosen category.

2. Link to Your Website

You can have the link of your Website Posted inside your email template. Only one link per email template to avoid violating the CAN-SPAM Act of 2003. Just tell us where to put it and we will patch it there.

3. Opt-in Confirmation

This Opt-in Confirmation function is a by-product of the **CAN-SPAM Act of 2003**. This act states that every marketing email sent must have an "Unsubscribe Button" which means that a recipient always has a choice if he/she doesn't want to receive anymore emails coming from a specific sender. **Thus deleting the risk of you being called as a "Spammer"**.

Podcast is one of the emerging technologies in the Internet today. It is the modern rendition of the old trusty radio and TV broadcasting. Though it is still in its infancy, many have become addicted to it, making it the next "Big Thing" to Online Video Streaming. Malixi Marketing recognized its potential in gathering people that is why we are creating a service that will also complement not only the sellers, but also the buyers in the marketing industry. Thus giving birth to Malixi AudioCast, an Audio Broadcasting service meant to cater people of different backgrounds. Malixi AudioCast delivers online broadcasting with a twist. Giving out news and information that will not only entertain but also fill-up your intellectual cravings.

- ✓ 10-15 minutes each Audio Program episodes that tackles technology news and internet business.
- ✓ Derived from another form of internet service they call podcast.
- ✓ Distributed once or twice a week (depending on the demand).
- ✓ Aimed to create awareness on the email recipients and provides an alternative way of connecting with them
- ✓ It is the most effective form of Advertisement next to video
- ✓ Dealing on the fact that most of the emails gathered are from individuals that do not have a business on their own and have only a limited interest on words and pictures
- ✓ It is a perfect add-on to retain the interest of Email Recipient as Additional Benefits for them as a Recipient Member
